Inside Stories

"I have a career path with AT&T. If I put in the work, the sky is the limit in terms of what I can do and where I can go. Not everyone can say that about their company, and I value the fact that I can."

— Desiree, BSLDP Graduate

"The Business Sales Leadership Program has given me the tools to be successful by providing thorough product, industry, and systems training. Without the guidance and tools from our leadership, we would not be recognized as the company we are today."
